Anyhow, the delay now taking place is interpreted by diplomats who have spoken as a hopeful sign, showing that Germany is trying to find some way of saving appearances. Again, to-day rumors of the possible of lands from the nobles and other large proprietors

The idea is to try whether the friendly relations so roughly broken recently by Count von Tattenbach cannot be restored. In fact, the meeting will try to find out whether "Terrible Tattenbach's" turbulent temper van 'possibly be controlled er whether this "enfant terrible" of the conference can meet his colleagues without being abusive.
